## INVITATION

Respected Sir/ Madam,

With immense pleasure, we invite you to participate in the two day State level conference on “**Innovative Prospects in Basic & Applied Plant Sciences**” (IPBAPS-2019) organized by Department of Botany, Hutatma Rajguru Mahavidyalaya, Rajgurunagar, affiliated to the Savitribai Phule Pune University, Pune to be held on 27<sup>th</sup> and 28<sup>th</sup> December 2019. We request to circulate and/or forward the conference Invitation Letter to your students/ teachers/ researchers/ Scientists and encourage them to take active part in the State level Conference.

### RAJGURUNAGAR AT A GLANCE

Rajgurunagar (Khed) is situated on Pune-Nashik highway 42 Kms from Pune to North. It is the birth place of great Martyr Shivram Hari Rajguru. Khed taluka is having many historically and religiously important places and tourist attracting spots like Rajguruwada, Siddheshwar Temple, Bhimashankar temple which is one of the 12 Jyotirlinga (67 KM), Sanjeevan Samadhi of Saint Dnyaneshwar, Alandi (26 KM), Chas- Kaman Dam (23KM).

### ABOUT THE INSTITUTION AND COLLEGE

Hutatma Rajguru Mahavidyalaya, run by Khed Taluka Shikshan Prasarak Mandal, is a living monument of Hutatma Shivram Hari Rajguru. Late Sahebraoji Buttepatil (Ex-MLA) founded Khed Taluka Shikshan Prasarak Mandal in 1974 to initiate the process of enlightenment through education in the most undeveloped villages of Khed Taluka. The institution aims at enabling students to avail themselves of the facilities of higher education and imparts education in Arts, Science, Commerce, BCA, B.C.S and PG courses. It also has a study centre of Yashwantrao Chavan Maharashtra Open University (YCMOU).

Hutatma Rajguru Mahavidyalaya was established in 1977. It is located on the bank of Bhima river along Pune-Nashik highway. The college provides excellent infrastructure and learning resources to impart quality education. It has well-resourced library, well-equipped gymkhana, Girls' hostel and well-equipped Science and Computer Science laboratories. Many of our students have glorious achievements in various examinations and are well placed in different walks of life.

### OUR BOTANY DEPARTMENT

The Department of Botany was established along with the establishment of college in 1977 to disseminate the knowledge of Plant sciences to student community. To make teaching easy and also effective, the department has advanced audio visual aids. The department is well furnished and well equipped with the sophisticated instruments. The students are being given guidance and counselling for their placement in various industrial, administrative and academic sectors. A botanical garden is

maintained in the college which is having a variety of flora. The department has well qualified teaching staff who are always proactive and dedicated to provide upgraded knowledge and ample opportunities to extend outreach and inter-institutional collaborations for students. The staff plays a major role in exploring the plant diversity and creating awareness about biodiversity conservation and in the holistic development of students by ensuring the participation of students in co-curricular and extra-curricular activities.

### THEME OF THE CONFERENCE

The state level conference on “**Innovative Prospects in Basic and Applied Plant Sciences**” (IPBAPS) is being organized to impart the recent research developments in Plant Sciences to researchers, academicians and students. The Conference aims to provide the researchers to present their works on basic and applied plant sciences and to provide a platform for possible implementation of the concept for the betterment of the society. Researchers and speakers will be invited to deliver lectures on various topics. This conference will encourage peer researchers, young scientists and academicians to meet, discuss and share their knowledge. With this background, the conference is designed to have invited lectures and poster presentations with the following themes:

- Biodiversity and Conservation
- Cytology, Molecular biology and Genetics
- Ecology and Environment
- Plant Physiology and Biochemistry
- Ethnobotany and Bioprospecting
- Applied Botany and Nanotechnology
- Biotechnology and Bioinformatics
- Phycology and Mycology
- Natural products

### CALL FOR THE ABSTRACT

Abstract on the themes of the conference are invited for oral/poster presentations. Interested participants are requested to submit one A4 size page abstract of their original research work in MS word.
