DEPARTMENT OF MATHEMATICS
REPORT-2023-24

The Department of Mathematics runs Mathematics subject at general level for B.Sc., B.C.S., B.B.A.(C.A.) and B. Com. courses. In the academic year 2023-24 Department of Mathematics organized following activities

1. Celebration of Pi-Approximation Day on 22th July 2023.
2. Group discussion on Fibonacci sequence on 9th August 2023
3. Classroom seminars for various classes.
4. Sudoku competition on 29th August 2023.
5. Field visit at Onion and Garlic research center on 12th October 2023.
6. Guest lecture of Prof. S. N. Karle, Siddhant Engineering College, Sudumbare, on the Applications of Mathematics in Engineering on 14th October 2023.
7. The Alumni Interaction on Career Opportunities in Mathematics 14th October 2023.
8. Celebration of Mathematics day.
9. Quiz competition on 28th February 2024.
10. Jewellery making workshop on 5th January 2024.
11. Guest lecture of Mr. Prakash Bade, Vice President-Risk Modeling, HSBC London, on Career Opportunities in Mathematical Sciences on 2nd March 2024.
12. Guest lecture of Prof. Vrushali Wayal, Dr. D. Y. Patil College of Ayurved and Research Centre , on Applications of Mathematical Sciences in the Field of Medical Science on 21st March 2024.
13. Quiz competition on Chhatrapati Shivaji Maharaj.
14. Prof. Wayal R. M. participated and presented paper in international conference.
15. Prof. Wayal R. M. completed Faculty Development Programme on Research writing and Mathematical typesetting with LaTeX organized by Ramanujan College, Delhi, during 7th - 13th December 2024.
