

K.T.S.P. Mandal's
Hutatma Rajguru Mahavidyalaya, Rajgurunagar
Department of Mathematics
Future Plan

- To promote the use of ICT tools such as GeoGebra, MATLAB, and Python for mathematical computations and visualization.
- To attend regular workshops and seminars to enhance the teaching pedagogy of faculty members.
- To organize mathematics short-term courses, workshops, guest lectures, and inter-collegiate competitions for students.
- To publish high-quality research papers in indexed journals and participate in international conferences.
