# SWOT ANALYSIS

## Strengths:

➢ Strong faculty qualification, talented and dedicated, knowledgeable and cooperative faculty, great collaboration and good communication among faculty.

➢ Supportive working environment among department members

➢ Excellent administrative support

➢ Well defined program assessment (including program objectives, course learning outcomes, and instruction assessments).

➢ Flexible curriculum management with devoted teachers.

➢ Good computing environment (labs and server).

➢ Adequate lab facilities.

## Weaknesses:

➢ Small permanent academic staff.

➢ Institute has to upgrade their teaching community for more funded projects; quality research and development; and patents and consultancy.

➢ Students, being from rural area, are striving to meet national and global standards in technical education and facing language barriers.

## Opportunities:

➢ High demand for high-qualified IT-professionals such as our bachelors.

➢ Make the department more research oriented.

➢ Institute is continuously organizing various development programs for the benefit of teachers and students through seminars, workshops, conferences, symposiums and other student meets.

➢ Many more opportunities for tie-ups with both established and start-up companies in India and abroad for enhancing learning outcomes.

## Threats:

➢ Institute has competition from other nearby colleges.

➢ Fast changing world with cutting edge technologies.
