Department of Geography

Geography Day

In the Department of Geography of Hutatma Rajguru Mahavidyalaya the program was organized on the occasion of Geography Day on 16 01 2024. Geography Day is celebrated in India on the birth anniversary of C.D. Deshpande, the famous geographer of India.

Dr. Dilip Muluk (HOD of Geography) gave permission to celebrate Geography Day. After that, staff tried to bring life to the program of Geography Day by making neat board writing. Dr. Dilip Muluk was Chairman of this programme.

At the beginning of the program Prof. M.L. Muluk sir introduced the program and told the students about the importance of Geography Day. After that, the students were entertained. Many students explained the importance of geography subject. Sneha Thorat, Shraddha Muluk, Pranita Lawange, Anjali Thite these Students expressed their feelings.

Dr. DM Markad gave a lecture to the students on the occasion of Geography Day. He gave a brief history of geography in his lecture. The study of geography began around 500 BC in Greece. Hicatus was the father of ancient Geography. Although Herodotus is the father of history, he also made important contributions to geography. Aristotle was the first to postulate that the earth is round like a ball. He introduced the idea of tropical and temperate zone. He also proposed the geocentric theory. Eratosthenes first used the term geography. Later Roman geographers Strabo, Ptolemy made important contributions to the subject of geography. After 300 the Dark Ages began in Europe. In this way Dr. D.M. Markad expressed his thoughts.

After this the Head of Geography Department Dr. Dilip Muluk was felicitated on behalf of the Department of Geography. He was felicitated with the Young Teacher Award by the Maharashtra Bhugolshashtra Parishad. On this occasion Dr.Dilip Muluk felicitated by Dr. D. M. Markad by giving him a shawl. Dr. Dr. DM Markad introduced about work of Dr. Dilip Muluk. Dr. Dilip Muluk has written eight books, one Miner research project, 50 research papers, about 250 PDFs Notes uploaded on website. and 4 patents in his name. Prof. M. L. Mulook thanked the program.
