Report on Live Demonstration of Butterfly Metamorphosis Lecture

In our field of education students at center and their holistic development is the main objective. Zoology department has always keep students at the forefront and organized various programs for them. On 11 September 2024 Prof. D. N. Birhade gave the innovative live Demonstration of Butterfly Metamorphosis to T. Y. B. Sc. (Zoology & Botany) and S. Y. B. Sc. students. Prof. D. N. Birhade also demonstrates experiential, Practical knowledge of nature so that student's minds get trained while learning and they are able to develop direct connection with Mother Nature. During the live demonstration of butterfly metamorphosis students observed the miraculous process of emergence of the adult butterfly from the chrysalis i.e. from pupa.

Prof. D. N. Birhade
Head, Department of Zoology
