Sub: Regarding Permission to visit your Institute

Respected Sir,

As per the syllabus of Savitribai Phule Pune University, students of S.Y.B.Sc. (Botany) need to have compulsory study tour. We are interested to visit your institute on 10th January 2024.

Kindly give us permission for visiting your Institute so that students get valuable information regarding the various tissue culture techniques.

Thanking you.

Yours truly,

Dr. S.S. Pingale

Subject: Request to arrange and permit a student exposure visit to ICAR-DOGR-Reg

Dear Madam,

I hope this letter finds you well. I am Dr Karuppaiah V from ICAR-DOGR, currently working on a project on stingless bees funded by SERB-DST (GOI), New Delhi. In this project, under Scientific Social Responsibility (SSR), we plan to arrange a one-day exposure visit to the college students at ICAR-Directorate of Onion and Garlic Research, Pune to foster research culture among college students, academic community, public outreach and knowledge dissemination. We plan this activity for the 2nd or 3rd week of January 2024 between 10 AM and 1 PM. This initiative aims to develop a rich research culture of integrated scientific and social commitments in the country. Hence, please accept the request and permit/arrange a batch of students (25 students) to visit ICAR-DOGR and attend this activity.

I look forward to your positive response in this regard. A suitable date and time for this visit may also be decided at your convenience.

With regards,

Dr. Karuppaiah V,
