Respected Madam,
I hope this letter finds you well!

I am Dr. Sanket J. More, a Scientist at ICAR-DOGR, Pune. The Indian Council of Agricultural Research (ICAR), an autonomous organization under the Department of Agricultural Research and Education (DARE), Ministry of Agriculture and Farmers Welfare, Government of India, annually observes *Parthenium* Awareness Week from August 16 to 22. In this context, it is planned to observe *Parthenium* Awareness Week on August 21, 2024 (Wednesday) at ICAR-DOGR, Pune. To support this initiative, an exposure visit for the First Year B.Sc. Botany students of Hutatma Rajguru Mahavidyalay, Rajgurunagar is scheduled on the same day from 10:00 a.m. to 1:00 p.m. The objective of this program is to raise awareness about the *Parthenium* weed among students and other stakeholders. The program will be followed by laboratory and field visits.
