Map Making Activity

Many activities are organized in Geography Department of Hutatma Rajguru College. d. Map making training was organized on 27/02/24.

Geography students should be able to draw a map. Along with that, this activity was taken so that the students should know the skills of filling colors in those maps and showing various elements.

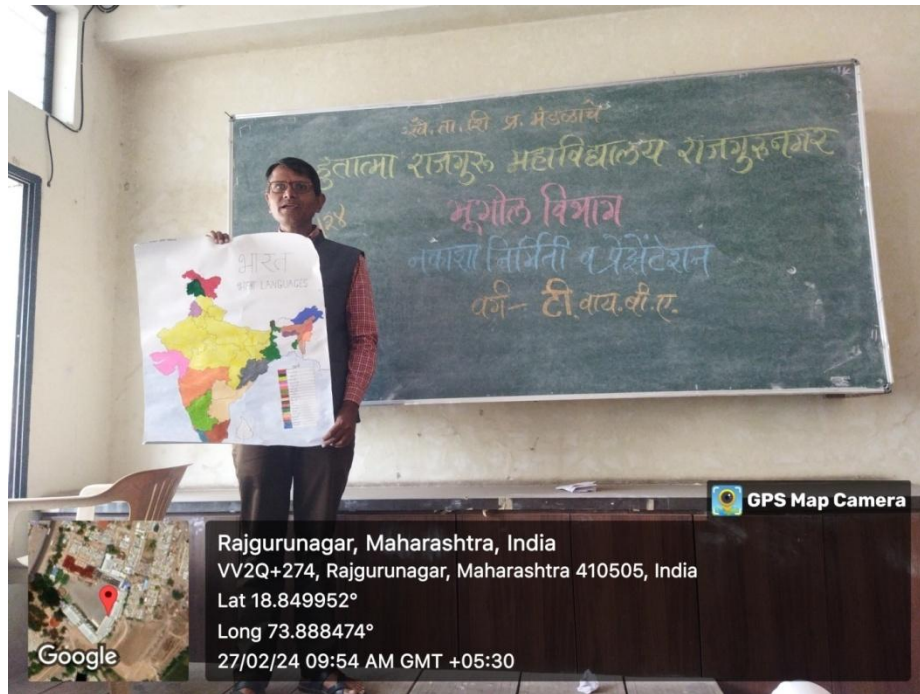

A map of India can be drawn with the help of tracing table. There is another technique for drawing the map of India. A map can be drawn geometrically. The map can be zoomed in and out. Information can be filled on the map with the help of different symbols and landmarks. Also different regions, states, terrains can be shown by using color scheme.

Guided how to make a map, how to color it, how to show the elevation on the map with the help of different types of topography contours, hachures, trigonometry points, benchmarks, color schemes.

The inspiration of this program is the head of the department Dr. Dilip Muluk said. Dr. DM Markad organized the program.
