Poster Competition Report

The Department of Computer Science at Hutatma Rajguru Mahavidyalaya successfully organized a Poster Competition exclusively for SYBSc (Computer Science) students. The event provided an excellent platform for students to showcase their creativity and technical knowledge through visually engaging and informative posters.

The competition commenced with a formal inauguration ceremony, graced by the presence of Principal Dr. Shirish S. Pingle, who motivated the participants with an inspiring speech highlighting the importance of creativity and collaboration in academics.

The competition is based on latest technology using IoT like, automatic irrigation, Smart bridge, Temperature measurement using DHT 22 and DS18B20, Solar tracking device, Water level indicator using Arduino, soil moisture measurement, wireless notice board, automatic washroom light indicator, distance measuring device, GPS tracking and color detector etc.

The overall program was efficiently coordinated by the Head of the Department, Prof. A.P. Kulkarni, who ensured the smooth execution of the event. The competition witnessed enthusiastic participation, with students presenting innovative ideas on various topics related to computer science. All the staff members of Computer science department are actively participating in event and guide the students.

The event concluded with a vote of thanks, leaving students encouraged and motivated to excel further in their academic and creative pursuits.
