**Department of Geography**

**Poster Presentation**

Many activities are organized in Geography Department of Hutatma Rajguru College. Monday On 4/03/2024 Department of Geography and Green Club jointly organized Poster Presentation event. 9 students of Geography Department participated in this.

Head of Department of Geography Dr. Dilip Muluk and Green Club Coordinator Dr. D.M. Markad jointly organized this activity. This activity was implemented to give scope to the painting skills of the students.

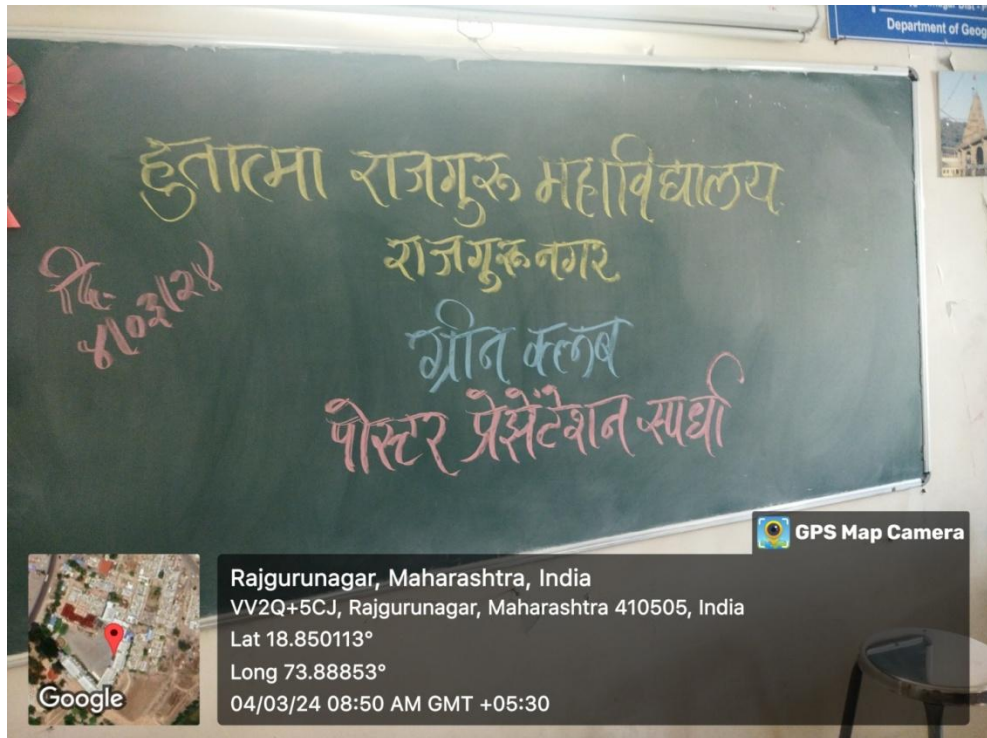

Saving water and environment has become the need of the time. Global warming is causing damage to the environment. The amount of rain has become irregular. Sometimes it rains more and sometimes it rains less. Due to this, water scarcity has increased. Due to siltation of drinking water dams, the water storage has decreased. The increase in population has led to an increase in water consumption. As a result water scarcity is increasing in cities. For all these reasons, students were given the topics of water saving and tree planting for posters.

Nine students participated in this poster presentation competition. Out of them eight students created posters on the topic Save Water. A student created a poster on tree planting.

Three best posters were selected from these posters. They were graded as first, second and third. The scores of the students were calculated as follows.

1. Alisha Hasan Inamdar (First Rank)
2. Vaishnavi Lande (Best Number)
3. Shravani Patole (Third Number)

Department Head Dr. Dilip Muluk these students. gave the testimonials.
