Tree Counting Program

Many activities are organized every year in the Department of Geography of Hutatma Rajguru Mahavidyalaya. On 10/10/2023, Geography Department and Green Club jointly conducted tree count and biodiversity survey in the college premises.

A total of 20 students participated in this activity. Among them 10 students were from Geography department while 10 students were Green Club students from other departments. These students counted the trees in the college premises, Martyr Rajguru Memorial, Playground, Siddheshwar Temple premises. A list of the names of those trees was prepared. Also what are the botanical and local names of those trees. Studied this too. Nilgiri, Ashok etc. trees were found in the college premises.

This Activity Guided by Head of Department Dr. Dilip Muluk. Dr. DM Markad conducted the program.
