Guest Lecture Report

A guest lecture on" *Microcontroller Programming & Interfacing"* was organized by the Department of Computer Science for SYBSC students on December 06, 2023. The primary objective of the lecture was to introduce students to the fundamental concepts of microcontrollers, their applications, and how they are used in embedded systems. The lecture aimed to bridge the gap between theoretical knowledge and practical application, which is crucial for students aspiring to pursue a career in electronics, embedded systems, or robotics.

The guest speaker, Prof.Avinash Shingate is an expert in embedded systems and microcontroller-based projects. With extensive industry experience at Indira College of Commerce & science, Tathwade. he has worked on numerous projects involving microcontroller design, programming, and troubleshooting. The speaker shared insights from real-world applications, providing valuable perspectives to the students.

The guest lecture on microcontrollers proved to be an enriching experience for the SYBSC students, offering them valuable knowledge and practical insights into the world of embedded systems. The lecture helped students understand the critical role that microcontrollers play in modern technology, motivating them to dive deeper into this field.

The Department of Computer Science expresses its gratitude to Prof.Avinash Shingate for sharing their expertise with the students. We look forward to organizing more such lectures that help bridge the gap between academic learning and industry practices.

Subject: Thank you for your presence as a resource person for our One day workshop.

Respected Sir,

We are thankful to you for your invaluable contribution as a Resource person for **one day workshop on "Microcontroller Programming & Interfacing".**

We appreciate the time and effort you dedicated to sharing your knowledge and expertise with our students. Your guidance is helpful to our student in build their career.

Once again, thank you for your guest lecture. We hope to welcome you back for more sessions in the future.
