Subject: Regarding Conduction of Library Orientation Programme

Respected Sir,

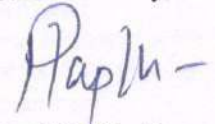

Library Orientation Programme make library use easy and effective for students of all courses who are newly entered into the institution. It encourages students to become frequent library-users and gain knowledge for the future.

The main objective of the user orientation is to introduce the library facilities, resources, services and library techniques to the users. The orientation programme makes the users familiarize with the resources and increases the use of libraries.

On this purpose Library Department (KRC) of Hutatma Rajguru Mahavidyalaya conducts a Library Orientation class for all newly admitted students from Arts, Commerce, Science, Computer Science and Computer Application. The class was conducted by Librarian Mrs. Poonam Tapkir for different classes on different days. Librarian introduced the complete Library systems and the books to the students.

As part of our commitment to serve our users in an effective way for supporting their information and research needs. Library offers for our users to learn more about library and its resources.

Yours Faithfully,

Prof.P.V.Tapkir
