Report on Web Development Workshop

A One-day workshop on 'Web Development' has been conducted on 7 January 2022 at department of Computer Science of Hutatma Rajguru Mahavidyalaya, Rajgurunagar. This workshop has been conducted under ICT cell for S.Y.B.Sc (Computer Science), T.Y.B.Sc (Computer Science). This workshop has been coordinated by Prof.A.P.Kulkarni.

The session was conducted by Prof. P. P.Virkar and Prof. D.O.Ghanwat. In this workshop students acknowledged a complete knowledge of Web App Development. Web App Development refers to the means by which computers communicate with each other using markup languages and multimedia packages. It gives us a way to interact with hosted information, like websites. Web technology involves the use of hypertext markup language (HTML) and REST, SQL, PHP and many more. Total 30 students were participated in this workshop.

In this workshop the students were introduced to topics HTML5, REST, JAVASCRIPT. Students got an idea how to create web app. All the students really appreciated the contents that were discussed, they realized that interactions like these can help them improve their learning. Students showed keen interest in attending more workshops like this in future.
